## 2007 Annual Meeting

The 2007 Annual Meeting was held Tuesday, March 13 in the cafeteria at Topeka High School in Topeka. Nearly 120 members and guests attended this informative event.

Along with the reports from the Board of Directors, Supervisory Committee and Credit Committee, information was shared concerning the status of the credit union. A positive picture of the credit union was given from the financial reports along with an encouraging plan for growth.

A brief overview of the P.O.P. promotion was given as was a presentation of eServices through the credit union web site.

All who attended the meeting received various amounts of cash based on the eServices they currently use and through a random drawing.

Members re-elected officers to serve on the Board of Directors, Credit Committee and Supervisory Committee. Several staff and volunteers were presented service awards ranging in years of service from 7 to 30. Two members of the staff were presented as having retired in 2007. Arlena Patterson, Senior Loan Officer, retired after 7 years at CU1 and Mary Ellen Lafond retired after 21 years of credit union service.
